

MEMORANDUM

TO Project Review TeamsFROM Warren R. TurnerSUBJECT AddendumsDATE March 21, 1977

Due to the time required for preparation, the time required for duplication, and the time required for mailing to prospective bidders, ADDENDUMS containing information resulting from Memorandums to All Design Units or to Project Review Teams, which include revisions or additions to the Plans and/or Supplementary Specifications and related documents, and which are dated or distributed 10 days (calendar) or less before the date for Receipt of Bids shall not be included in the Project unless otherwise directed by this office or unless postponement of bids is necessary due to other reasons.

This also applies to Wage Rates dated or distributed 10 days (calendar) or less before the date for Receipt of Bids.

Warren R. Turner
Project Engineer, Surface Design
Review & Specifications Unit
